

The FA Schools Football Development Programme Charter Standard Schools Application Form

(All categories)

The FA Charter Standard Schools

The FA Charter Standard Schools programme supports schools at all levels who are keen to use football as a medium to deliver both physical education and develop out of school hours opportunities for boys and girls of all ages and abilities. The programme has been designed to support schools to implement key strategic objectives such as:

- Primary liaison
- Coaching and leadership
- School to community links
- Out of school hours learning
- Raising standards in teaching and learning
- Inclusion

There are two levels for both Primary, Middle, and Secondary schools and a more flexible programme for Special schools to become involved with each level having it's own application form.

The FA is keen to recognize and reward Charter Standard schools both on a national and a local level and they will be highlighted and invited to participate in various events at every opportunity.

Some of the benefits of being a Charter Standard School are listed below:

- Free equipment
- Role model poster packs
- Exclusive competitions
- Tickets to youth and women's games
- Charter Standard schools newsletter
- Local and national awards
- Individual pupil and teacher awards
- Enhancing Football Foundation facility and revenue bids
- Bursaries for teachers
- Kit and equipment grants from the Football Foundation
- Use of the FA Charter Standard Schools Logo
- Projecting a positive commitment

to physical education and sport in your community to parents/carers, children governors and teachers.
